

Great things are happening at RED Arena!

2017 Round-Up Success!

We are so grateful for our Riders, Families, Volunteers, Sponsors, Staff and Supporters for making this Round-Up the best one so far. With over 60 Riders and almost 1,000 in attendance we raised over \$120,000. These funds go into direct programming and allow us to keep our program costs low for all participants and provide full scholarships for those in need.

Congrats to Regan & Emma the 2017 Riders of the Year!
And Hans for Horse of the Year!

Our First Short Film Premier Party!

Wed. October 18th from 6:30 - 8:30pm

You might recall seeing the film crew at Round-Up. They have created a short film entitled "This is RED Arena!" It will be premiered at Sonesta at Bee Caves with free hor'dourves and a cash bar from 6:30-8:30pm.

This is a great opportunity to invite friends who may like to learn more

about our services or support our programs. There will be staff, board members, volunteers and participants available to answer questions. Door prizes and a special guest appearance by the mini horses!

Be sure to follow us on Facebook for more details.

Families of RED Arena

We are currently forming a parenting group to meet at RED Arena some Fridays from 10-11:30am. The group will be lead by our counselor, Lindsey Bussey, LCP, EGALA. The topics will be based on the group's interest and could range from successful parenting strategies to stress management.

Memorial Scholarship Fund

Dustin, Sheryl and Fletcher all participated in our job training program and each contributed to RED Arena in a special way. From Dustin building ramps to Sheryl sewing up the holes in the hay bags to Fletcher helping decorate the trails, they each did the best they could to make a difference here. In celebration of the legacy they left we have created a job training scholarship fund. Please use the link below if you would like to contribute in their honor.
