Welcome to Bob

Our newest therapy horse.

Bob is a haflinger from Texas who LOVES to play ball and hang out with Clayton.

Did you know it costs about $4,000 per year to care for each horse?

You can set up a recurring monthly donation of $50 per month to cover feed for one of our amazing therapy horses.
Litariti Lending Library

Lending Library Books donated by Literati
Take a book, leave a book, we have a great selection!
We also have a couple spots left in our tutoring program - reading to the horses!
Sign up via our website.

Programs

Now serving over 200 kids & adults each week in
Equine Assisted Physical & Occupational Therapy
Therapeutic Riding Lessons
Sibling Support Riding Lessons
Job Training & Reading Programs
Plus over 60 kids attended summer horse camp

We have a few daytime spots open for all programs. Sign up via our website. All possible thanks to our amazing staff, the 14 therapy horses and over 60 volunteers each week and donations for scholarships from people like you!

Your donation of $200 can sponsor one month of therapeutic riding lessons. $500 supports one semester of job training or reading - that's only $41 per month.

Donate

Expansion

With our San Marcos location renovations complete we can shift back to finding more space for our Dripping Springs location.

We need a covered arena and more acreage to serve Northern Hays and Southern Travis counties. These improved facilities will allow to add more horses to alleviate our waiting list for riding and expand our job training program to full day vocational programs which could include gardening, cooking, retail and hospitality.

Help is needed with corporate and community outreach. Email Jen for more info.

Volunteer Opportunities

Thank you to our wonderful volunteers!

We are so grateful for our over 60 volunteers who work so hard each week. Weekly volunteers are still needed for barn chores, horse care and sidewalking.

We also need volunteers for:

- Gardening to spruce up and maintain the "gardens" at the entries & family areas
- Grant Research to identifying new foundations to support our mission
- Round-Up Committee Chairs to be a big part of our BIG day
- Corporate Connectors to help with new sponsor outreach
- RED Wine & You Hosts to spread the word about the great things happening at RED
- Mindful Living Trail to create a quiet retreat space for parents
Save the Date
